Request to Substitute a Practicum

CRP’s Practicum Subcommittee and Graduate Advisor must approve requests to substitute a CRP practicum with an SOA architecture or design studio.

Instructions: The student and studio instructor must fill out and sign this form. The student then submits 1) the form and 2) the course syllabus to CRP Graduate Advisor, who forwards the request to the Practicum Subcommittee of the CRP GSC for review. The student is responsible for submitting the form and course syllabus to Graduate Adviser before the last day of the pre-registration period of the semester preceding the course.

Please provide 3-5 sentence responses to the following questions:

1. What are the course objectives, the project that students will work on, the partner(s), and expected deliverables (e.g. plan, report, website etc.)?

2. How will the course further the student’s methods skills taught in CRP core courses?
3. How will the course further the student's topical planning knowledge?

4. How will the course further the student's knowledge of theory relevant for planning?

5. How will the course incorporate issues of diversity and social justice?

I agree that the course will provide an adequate substitute for the CRP practicums offered and will further my skills, topical, and theoretical development.
