EDUCATION

M. ARCH I — University of Texas, Austin

Expected graduation 2020. Interests include what I call the 'conditions' of architecture: policy, economics, development and construction: in particular how to use modern tools to revive the craft of building in timber and masonry.

B.A. Magna cum Laude, Whitman College

2006-2009. Majored in Philosophy of Religion; wrote a 30,000 word thesis on Nietzsche's critique of Christianity, representing a comprehensive analysis of his late work, focusing on the relationship between metaphysics and morals and the implications for personal responsibility.

University of Washington — Japanese

2009-2012. Four summers of intensive Japanese as a nonmatriculating student, each quarter comprising a full year of college Japanese.

Kansai College of Languages — Osaka, Japan

2016. Full time language study, extra-curricular study of martial arts.
