

UTSOA 2018 Graduates: BSID CIDA Student Achievement

ATTRITION/RETENTION

BSID Freshmen: Twelve freshmen began in fall 2014 as Interior Design majors; eight students (66.7%) remained after the first year. Attrition out of the BSID program after the first year was 33.3% (four students); two students transferred into the Bachelor of Architecture program and two students transferred into a major outside of the School of Architecture.

BSID Transfer students: One internal transfer student joined the first-year cohort in fall 2014 and remained with the BSID (100% retention of internal transfer student)

GRADUATION RATES

Twelve students graduated with the BSID in 2018 (all in spring). Seven of the 12 graduates were in the fall 2014 freshman cohort and graduated within four years of entering UT. Of the remaining five graduates, one student was in the fall 2013 freshman cohort, two entered the Interior Design major as internal transfer students after fall 2014, and two were returning students (i.e. entered the school prior to fall 2014); thus, they were not in the fall 2014 first-year cohort.

JOB PLACEMENT RATES

Approximately six months after graduation, seven BSID graduates responded to the Career Services' Employments Survey and indicated having entered the design profession at the entry level.

2018 BSID graduates

• Studio O+A	Design Assistant	San Francisco, CA
• O'neil Langan Architects	Assistant Project Manager	New York, NY
