

EMPLOYMENT REPORT

2018

THE UTSOA INFLUENCE

With nationally ranked programs and a vision that combines intellectual curiosity and ambition with professional practice, it is no wonder that graduates of The University of Texas at Austin School of Architecture are in high demand. In fact, 93% of our surveyed graduating class in 2018 who pursued employment reported finding a job in the months after graduation; 2% opted to pursue graduate studies.

This report compiles the job placement of 2018 UT Austin School of Architecture alumni six months after graduation. Survey data is assembled into an employment report published annually.

The publication organizes jobs by degree and includes employer name, position title, and location for each graduate, while maintaining individual confidentiality. Firms or organizations that employ multiple graduates from the same program are identified by an asterisk. Graduates who participated in a dual degree program are indicated as well. A salary breakdown is included for programs where adequate data was received. This report also includes information about alumni interest in pursuing licensure or certification within each field. Employment type is broken down into public, private, and non-profit sectors for Community and Regional Planning graduates. Data in this report is based upon a 60% survey response rate.

MASTER OF SCIENCE IN COMMUNITY AND REGIONAL PLANNING

SALARY BY LOCATION (ARCHITECTURE ONLY)

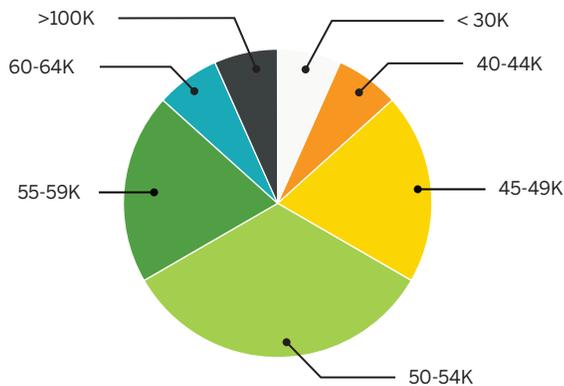

TEXAS (ALL CITIES)

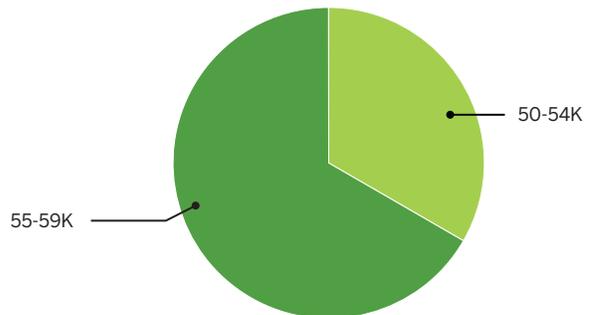

In 2018, a large portion of UTSOA graduates from our architecture programs accepted positions in Texas, New York and on the West Coast. This report includes the compiled data for all Texas cities (left) and individual data for the two Texas cities that welcomed the greatest quantity of UTSOA architecture graduates, Austin and Dallas (lower left). New York City and West Coast data is compiled below.

In order to protect confidentiality, the report excludes cities with small sample sizes. The variety of cities in which UTSOA graduates now reside appear within the employer lists.

ADVICE FROM UTSOA GRADUATES

"Take advantage of all of the possibilities and resources at UTSOA"

MArch

"Use the employment reports to see where people are located. Use the AIA job boards per city!"

MArch

"Reach out to employers. Many are open to talk with you. Get internship experience while in school!"

CRP

"Be aware of your career goals, personal strengths, and interests; be strategic of where you apply. Be optimistic because timelines will align as they will."

MLA

"Be intentional and honest with yourself. No one knows your portfolio better and what 'job' is the best fit except for yourself. Make a dedicated effort and hope for the best!"

BArch

"Always believe in yourself and the value you bring to the table. Don't be afraid to share your big, innovative ideas. Take risks, even if they are small ones. Failure is a part of life and our biggest teacher."

BArch
